

TBN APP PROFILE SET UP

1. Download the app by searching TBN Asia on the app/play store.
2. Create an account with your email / Facebook
3. Email Tiffany.mak@tbn.asia your username and she will grant exhibitor admin access
4. Refresh the app and Join your exhibitor group
5. We highly recommend uploading on your app profile your website, any videos, impact reports, photos and your available times for Q&A, so that as attendees look at the different booths, they can easily know how to engage. If you need help on any of this, please email Tiffany.mak@tbn.asia as well. Do your best to update before the conference.

You can also access the app on PC at: <https://app.oikos.com>

- Under Organization, type 'TBN Asia'
- Login with your account details.

Search under Directory for TBN App Support and **Message us to request for Exhibitor admin rights** to edit your company listing.

TBN App Support 2

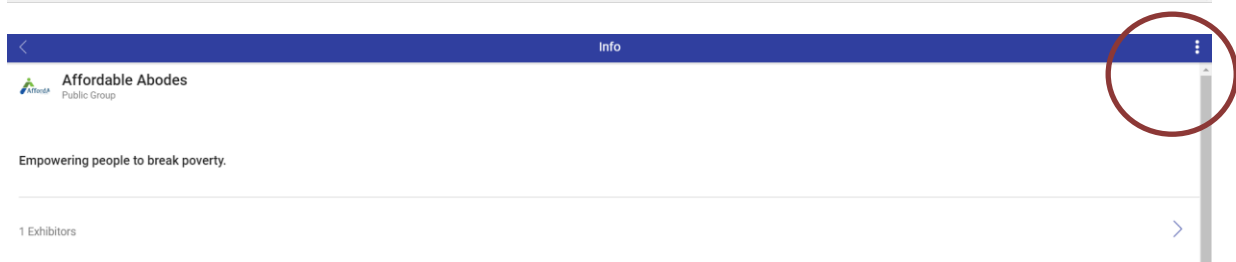

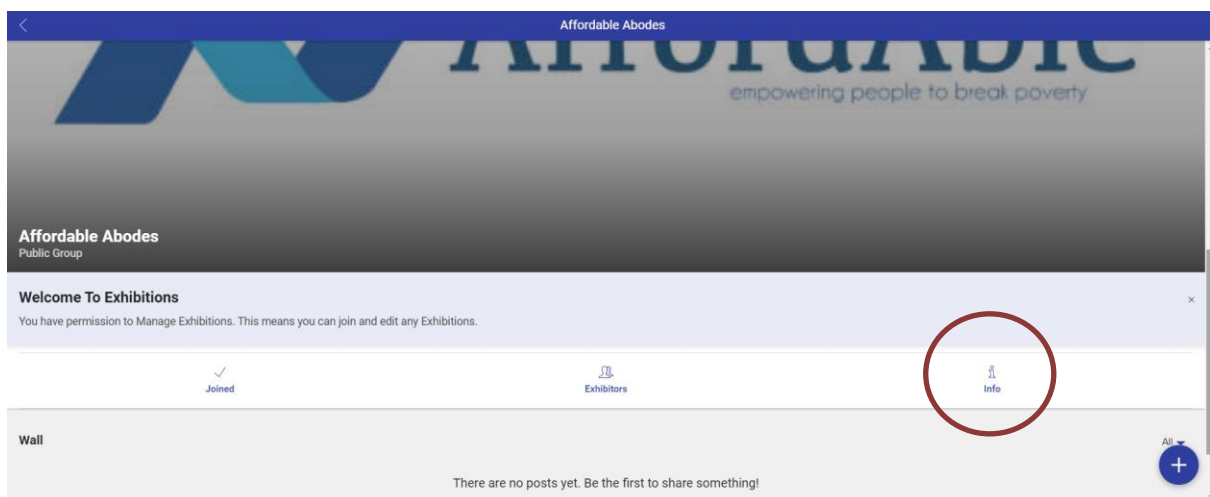

As an Exhibitor you have access to additional functions in the Exhibitor tab.*Find tab in app menu

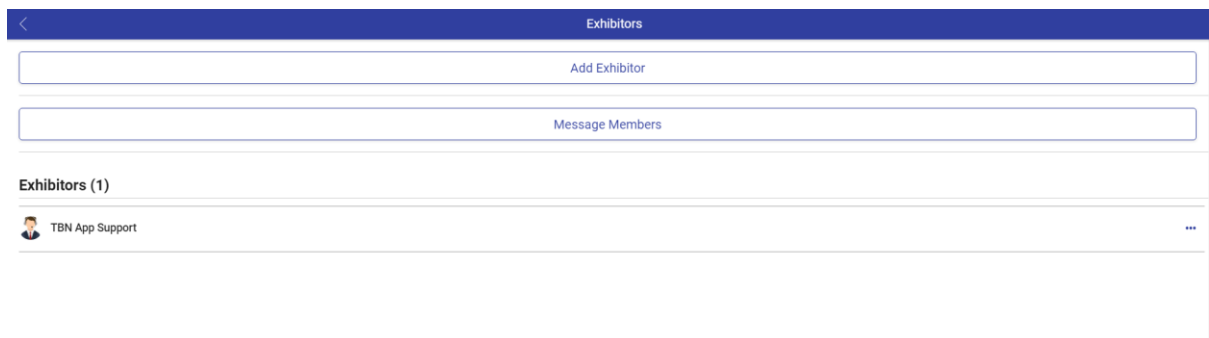

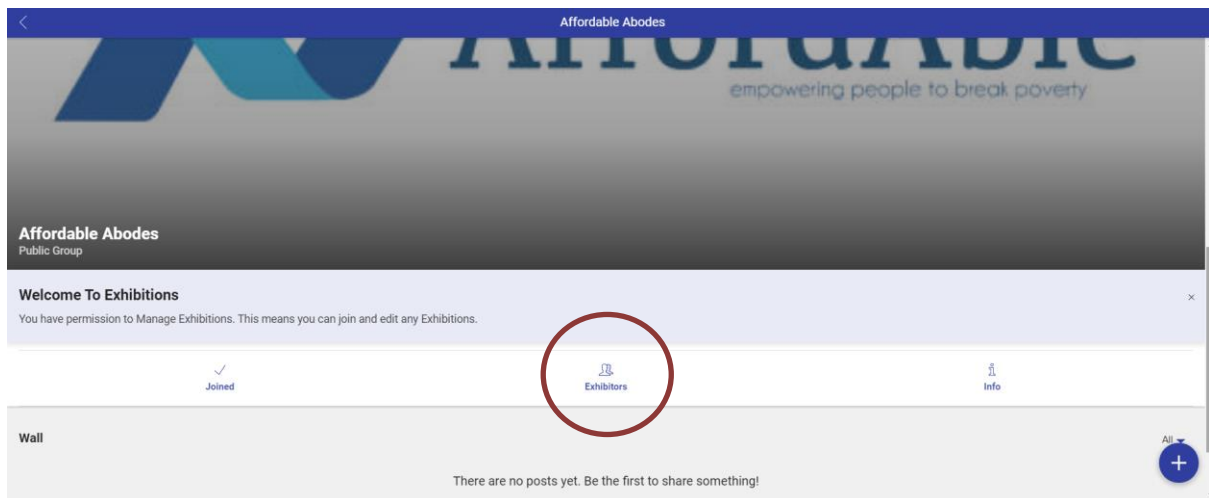

Exhibitor App features

Scroll through Exhibitor list or search by Industry at the selection on the top right hand corner

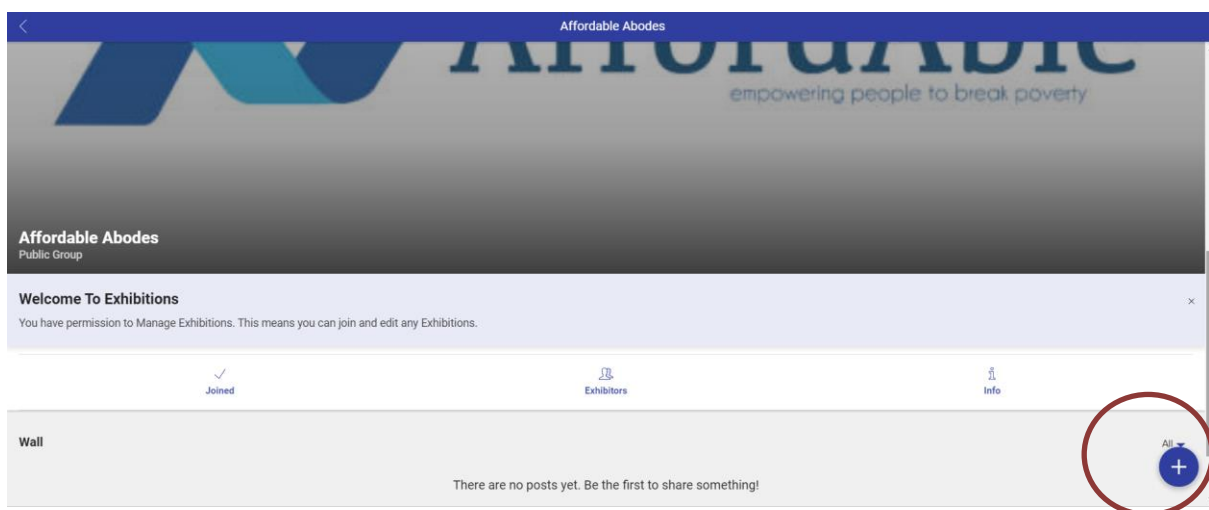

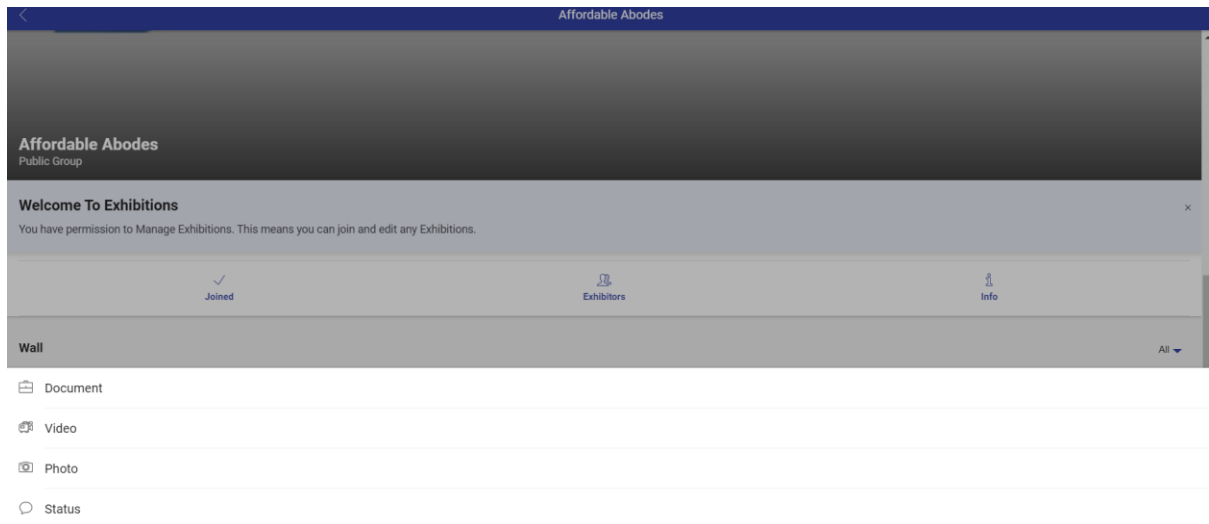

Click your company listing and click 'info', then click the 3 dots icon at the top right corner to edit the profile and logo jpeg. It is recommended that you include your company website, contact details and links to Company deck / presentation materials and promotion videos.

Click Exhibitor to add Team members to your exhibitor group as well as invite members to join your group.

You can send a message to all members in your group.

Click the 'Create' icon at the bottom right corner to post on your Exhibitor Wall. You can post a Status, Photo, Video or Document.
