

**Q: What is Social Enterprise Saturday (SES)?**

A: Social Enterprise Saturday (30 May 2020) is a day dedicated to spotlighting Social Enterprise Exhibitors and will run from 9 am to 3 pm.

Every Exhibitor will be allotted 10 mins to present. Following the presentation, the host will encourage attendees to check out the Exhibitor profile in the TBN Asia app if they would like to engage further. The exhibitor profile may have a Zoom or Google Hangouts link as well as the hours which the social enterprise is available to engage. Alternatively, you may message the exhibitor through the app to schedule another time to chat.

**Q: What happened to the Impact Café that has been at previous conferences?**

A: Because of COVID and the virtual nature of this year's program, Impact Café has become "Social Enterprise Saturday", which is similar to a virtual Impact Café. There is still opportunity to collaborate and connect with social enterprises, it will just be virtual!

**Q: Do I have to be there the entire time, from 9 am to 3 pm?**

A: Only if you want to! The Social Enterprise Saturday schedule is posted on the website so that you can take a look and decide which presentations you want to attend beforehand. When the time comes for your social enterprise to present, you can enter the Zoom link.

**Q: Can I join in at 10 am and then come back at 2 pm to hear another social enterprise?**

A: Yes, we encourage you to come in and out so that you are listening to the social enterprises that you are interested in.

**Q: Is SES open to the public?**

A: Yes, it is open to all. The sign-up link is on our website: <https://www.tbn.asia/virtual-conference-2020>.

**Q: How do I get access?**

A: Links will be sent out on 28 May 2020 via Eventbrite.

**Q: Why are there two links for SES?**

A: To provide each social enterprise adequate time to present, we will be running two concurrent Zoom rooms. Please make sure you are clicking the right Zoom link for the social enterprise you want to hear.

**Q: How many social enterprises will be presenting at SES?**

A: We are excited that we will have 44 social enterprises presenting on Saturday! Outside of the 40 social enterprises, there are another 21 who have exhibitor booths on the app – do take a look at their work!

**Q: What if the social enterprises that I want to hear are presenting at the same time?**

A: We suggest reaching out to one of the social enterprises through the TBN Asia app to schedule a separate time to hear more about their activities.
